

Citadel® Plus

SELF-ADHERING BASE SHEET

FEATURES & BENEFITS

- Designed for use with Boral TileSeal® HT, Boral® MetalSeal HT, and GatorSeal®
- UV resistant for up to three months
- Easy peel & stick application - no fastener punctures
- No special tools or hot asphalt needed

SBS modified asphalt core self-seals around nail or screw penetrations when mechanically fixing roofing. Seals to the roof deck providing additional security against potential leaks compared to mechanically fastened base sheets.

The poly faced surface designed to provide foot traction and maximum adhesion of Boral cap sheets:

- Boral TileSeal® HT and Boral® MetalSeal HT - Boral's strongest and most durable underlayments for tile, metal, shingle, shake or slate roofing
- GatorSeal® - Granular surface, self-adhered, SBS modified asphalt underlayment with heavy-duty fiberglass reinforcement

- Poly facer provides excellent foot traction and adhesion to cap sheet
- Excellent moisture resistance and thermal stability
- SBS modified asphalt core self seals nail penetrations

Peel & Stick application requires no special tools and no hot asphalt for hot mopping.

Citadel® Plus has a manufacturer's limited warranty when used with Boral Roofing's cap sheet underlayments:

- 30 year warranty when installed as a base sheet under Boral TileSeal® HT and Boral® MetalSeal HT
- 20 year warranty when installed as a base sheet under GatorSeal®

CERTIFICATIONS / APPROVALS

Florida FL14317

Miami-Dade NOA 17-0406.03

SPECIFICATIONS

Roll Size	3' x 72'
Roll Weight	77 lbs (nominal)
Coverage	Net 2 squares
Thickness	51 mils (nominal)
Rolls per Pallet	20 Rolls
Pallet Weight	1530 lbs (nominal)

PART NUMBERS

91991 Pick Up at Plant -2 Square Roll

91990 Drop Ship/Ship To - 20 Rolls/Pallet Mixed Truck*

ABOUT BORAL ROOFING

Boral Roofing LLC is a subsidiary of Boral USA and is the country's largest premium provider of complete roofing and re-roofing solutions for architects as well as commercial and residential builders. Boral Roofing operates manufacturing plants throughout the U.S.

ABOUT BORAL NORTH AMERICA

Headquartered in Roswell, Georgia, Boral North America is a leader in key construction materials and building products markets with operations across the USA, Canada and Mexico. In 2017 Boral acquired Headwaters Incorporated, expanding Boral's product offering and manufacturing and distribution footprint across North America. In construction materials, Boral has a national footprint and industry-leading position in the processing and distribution of fly ash – a by-product of coal combustion.

In building products, Boral manufactures and supplies cladding, roof tiles, windows and other light building products for residential and commercial markets nationally. Boral's manufactured stone veneer includes leading brands Cultured Stone® by Boral®, Boral Versetta Stone®, Eldorado Stone, Dutch Quality Stone and StoneCraft. Boral's light building products portfolio includes Boral TruExterior® Siding & Trim – a pioneer of the innovative poly-ash category of exterior building products – as well as shutters, gable vents, mounting blocks and tool systems. In roofing, Boral is a leading manufacturer of clay and concrete roof tiles, and also produces composite polymer and stone-coated metal roof tiles.

Boral also has a 50% share of the Meridian Brick joint venture, a leading clay and concrete brick manufacturer which was formed with Forterra Brick in 2016.
